

Wilma Jean Strain

May 3, 1939 - April 20, 2024

Jean Fox Strain, of Taylor, was born on May 3rd, 1939, in Morrilton, Arkansas. She left us to soar with the Angels on April 20th, 2024, just a matter of weeks shy of her 85th Birthday.

Jean is survived by her daughter, Susie, son-in-law, Joe, two granddaughters, Savannah and Cassidy, three great-grandchildren, Rosalie, Violet and Cairo, as well as her younger brother, Lincoln, and nieces Rene' and Sharon.

Jean worked at GTE/Verizon for 25 years in the engineering department, retiring in 1991. She was also known for her radiant smile, and innate sweetness. All who met her loved her. She created a loyal following of people that knew her in town and loved interacting with her. She was creative, and loved knitting booties, and sewing. Her family, and those that knew her will miss her completely.

The family asks that in lieu of flowers, please consider donating to Taylor Animal Shelter or Texas Critter Crusaders (based in Taylor TX).

A celebration of life will be scheduled at a later date.

Tribute Wall

“ *Momma Jean was my other loving momma on FB! This truly left a hole in my heart 😞 May you rest with the angels Momma Jean and R.I.P. ❤️*
